Round 6 – 10 Mar	- Waitakere BMX Club
Round 7 – 11 Mar	- North Harbour BMX Club

NORTHERN REGION RACE SERIES (NRRS) RULES - 2017/2018 SEASON

NRRS may be remembered by some of our senior riders and is making a comeback for the upcoming season. Familiarise yourself with the rules & guidelines below and we will see you trackside! Northern Region BMX Association

Classes

Classes available throughout the series which will be determined by your **2018** UCI age (i.e. current UCI 7 can enter prior to Christmas into the cadet 8-10 class)

- **Cadets: 8-10 years**
- **Rookies: 11-13 years**
- **Experts: 14-16 years**

Eligibility

- Riders must also enter their age class (20" or Cruiser) to be eligible for the NRRS competition. Points from both the standard age class and the NRRS class will be calculated towards the overall series.
- To be eligible for overall series points, riders must compete in at least 5 of the NRRS rounds advertised and **MUST** compete in the 7th (final) round of the series .
- Riders may choose to ride up one UCI class but must stay in this NRRS class throughout the whole series. Classes will be mixed gender however girls are able to race down one UCI age .

Entry

- All NRRS entries are by Pre-entry only and to be received by close of entry of the host clubs race entries for each round.
(Note the age class entry fee will be determined by the host club).

Format

- Minimum Four riders constitute a class.
- 3 motos and then Semis & Finals (as per BMXNZ rule book)
- Should classes be merged due to low entry numbers, riders will be scored for the series in the class which they originally entered.

Double Points Rounds

- At the beginning of each round a coin will be tossed prior to the first race at the commentary hut. This will determine whether the round will be single or double points towards the series – Heads = double, Tails = single.

Points Calculation

- Points are recorded from the first three motos at each meeting using the following points scheme:
 - 1st place = 10 points
 - 2nd place = 8 points
 - 3rd place = 6 points
 - 4th place = 5 points
 - 5th place = 4 points
 - 6th place = 3 points
 - 7th place = 2 points
 - 8th place = 1 pointPlus everyone receives 3 bonus points for each round they compete at.
- Points will also be calculated from the riders age class, first 3 moto's again with a 0.5 weighting towards the series. For example: If a rider enters 10 boys plus NRRS cadet class and is placed 1, 3 & 2 in 10 boys & 4, 2 & 6 in cadets, the riders points would be calculated as follows: $0.5 \times 10\text{pts} + 6\text{pts} + 8\text{pts} = 12$ points (for age class) PLUS $5\text{pts} + 8\text{pts} + 3\text{pts} = 16$ points (for NRRS cadet class) which equals 28 points for the two classes plus the bonus 3 points for competing in this round – so this rider has a total of **31 points** for this round.
- To gain series points on wet days, riders must have entered, registered and rode in any starting motos. In the unlikely event that racing is cancelled or postponed; only those riders who entered on the original race day will be eligible for points.

Winning jersey

- The riders that win the Deadman final at each round will gain the NRRS jersey and this must be worn at the next round of the series. The jersey must be handed to the points hut at the conclusion of the final & the next winner can collect the jersey at the points hut during registration of the next NRRS race meeting.
- **The jersey may only be worn in the NRRS race meetings.**

Prizes

- Prizes are at the sole discretion of Northern Region [BMX](#)
- Prizes at each round will be awarded to the top 8 finalists in each class.

Amendments & Discrepancies

- Northern Region BMX reserve the right to amend the above due to unforeseen circumstances to ensure fair and reasonable competition is maintained.
- Points will be posted on the Northern Region BMX Facebook page
- Any discrepancies to be reported prior the next round being held.
- Please contact Northern Region BMX on northernregionbmx@gmail.com
